

COMMERCIAL FACT SHEET

OFFICIALTECH 0W20 LL FE

KEY BENEFITS

- Meets the VW 508 00 / 509 00 specification
- Mandatory in the newest 2.0 TFSI 140 kW and 3.0 TDI CR 160 kW VW/Audi engines (from 2015 onwards)
- Can provide up to 4% fuel economy improvement versus a standard 15W-40
- Outstanding wear protection over the full oil drain interval

PRODUCT CODE 65621

SPECIFICATION LEVEL

VW 508 00 – 509 00 / TL 525 77

PACKAGING

PN

1L	8331138
5L	8331336
20L	8331732
60L	8331831
205L	8331930
1000L	8331534

DESCRIPTION

This is a full synthetic lubricant mandatory for the new 2.0 TFSI 140 kW and 3.0 TDI CR 160 kW engines of VW/Audi. It is developed to prolong the life and maintain the efficiency of emission systems. It is also designed to provide outstanding engine cleanliness, wear protection and strong durability to keep your engine running like new. A substantial fuel saving is reached through the use of the ultra low 0W20 viscosity grade.

PERFORMANCE

Thanks to its low viscosity and outstanding fluidity this oil significantly reduces wear and ensures fuel savings and lower CO2 emissions. Optimized additive package reduces soot and deposits and keeps the engine clean.
